OUR CANDIDATES PUT OUR COMMUNITIES FIRST!

ON NOVEMBER 7TH WE WILL DECIDE CHESTER COUNTY'S FUTURE

Vote Republican on November 7th to:

- **PROTECT** our Quality of Life in Chester County
- **RESTORE** Good Governance
- **FOSTER** Welcoming Communities

The issues at stake in this election shape our communities and impact our everyday lives.

THE BOARD OF COMMISSIONERS GOVERNS OUR COUNTY, AND SETS POLICIES DIRECTLY IMPACTING OUR EVERYDAY LIVES

YOU will vote for TWO Commissioners, to represent the majority Party on the three-person Board. Their votes and policies govern and control our County's operations and budget management. The Board of Commissioners serves as the County's administration, overseeing the prison and court facilities, county elections, and public health.

WHY ELECT DAVID SOMMERS?

"Chester County lacks diversity of thought among our County Commissioners. In this echo chamber no one is asking hard questions. I am dedicated to public service and understand how important it is to provide clear guidance to County employees, while demanding excellence and accountability. I will ask the hard questions and take on the tough topics to help restore good governance in Chester County."

WHY ELECT ERIC ROE?

"Chester County is changing rapidly. When fighting urban sprawl, I don't just talk the talk - I walk the walk. As a state representative, I co-sponsored the Stoneleigh Law, preventing preserved land from being built upon via eminent domain. My wife and I have four young children and we want future generations to enjoy Chester County's unique character and remarkable landscape."

THESE ARE THE PUBLIC SAFETY OFFICIALS WE ELECT TO ENSURE OUR SAFETY AND SECURITY

YOU will elect a District Attorney, the chief law enforcement officer in the county. In addition to managing the Assistant District Attorneys, the DA determines what cases will be prosecuted and who will face consequences for their actions.

YOU will elect a Sheriff, to manage the deputies and keep our courtrooms safe, promptly serve warrants, Protection from Abuse Orders, and Child/ Spousal Support Orders.

WHY ELECT RYAN HYDE?

"The District Attorney's office has been struggling to attract and retain talented prosecutors because the DA has failed to address the increase in crime with clear guidance and useful prosecution standards. By isolating our prosecutors in a West Chester ivory tower, we cut them off from understanding and effectively serving the community. I will restructure the District Attorney's Office, assigning cases in ways that give prosecutors perspective into the communities they serve."

WHY ELECT ROY KOFROTH?

"I have worked from the entry-level to Deputy in the Sheriff's Office, which has given me insight into what the office is missing. I will bring back the integrity the office once had, treat the deputies with the respect they deserve, and restore the Sheriff's Office to operational status."

THESE COUNTY ROW OFFICES MANAGE THE MOST IMPORTANT TRANSACTIONS IN YOUR LIFE!

YOU will vote for a Register of Wills/Orphans' Court which has jurisdiction over wills and the essential probate documents, collects inheritance tax, and oversees the legal proceedings for marriage licenses, adoptions, and the estates of the incapacitated.

★ WHY ELECT TERRI CLARK?

"I was The Register of Wills for eight years, and the Office was efficient and effective. Some services were canceled by the current Register of Wills, who is paid \$84,519 a year but rarely shows up. If you elect me, I will restore this critical county service to its former level of excellence."

YOU will vote for a Recorder of Deeds, who is responsible for administering oaths and officially recording documents related to property, military service, commissions, and transfer taxes.

★ WHY ELECT BRIAN YANOVIK?

"Our Recorder's office has not embraced technology. Since our home is our most significant asset, the office needs to evolve its fraud and theft protection. Effective, efficient, and careful recording of documents that demonstrate ownership is important to us all. I have been a highly successful executive for many years and have implemented similar technology changes, while managing the people and resources to accomplish our goals. I will bring that office into the twenty-first century."

YOU will vote for a Prothonotary, chief legal clerk for all civil documents and records for the courts.

★ WHY ELECT MICHAEL TAYLOR?

"The Prothonotary's office must provide economical, effective, and timely services. We deserve a Prothonotary who understands the 'how and why' documents are filed and distributed. It makes sense that the person handling legal filings should have the training and experience to understand how the legal system works. I am an attorney who has long served individuals who cannot afford legal representation. I believe everyone deserves the right to be heard."
